

Kamesprabu M

ABOUT ME

Passionate about design, photography, editing, and writing, I aspire to become a skilled UI designer. As a student pursuing a Bachelor's degree in Computer Science, I am eager to develop my skills in user interface design and create intuitive, aesthetically pleasing digital experiences. I am a quick learner, detail-oriented, and always looking for opportunities to grow and improve in the design field.

PERSONAL DETAILS

- 📞 9629623521
- ✉️ kamesprabu@gmail.com

SKILLS

- Design: UI/UX design principles, wireframing, and prototyping
- Photography: Composition, editing, and visual storytelling
- Editing: Photo and video editing using industry-standard tools
- Writing: Content creation, storytelling, and scriptwriting

TECHNICAL SKILLS

- Adobe Photoshop, Illustrator, Figma, Canva
- Video editing software (Premiere Pro, DaVinci Resolve)
- Basic HTML, CSS, and JavaScript knowledge

ACHIEVEMENTS

Writing a blog on overcoming worry, incorporating personal storytelling.

PROJECT

- UI/UX Design Practice: Created wireframes and prototypes for mobile and web applications using Figma.
- Personal Website: Designed and developed a personal portfolio website showcasing my design work
- Freelance Design Work: Created logos, social media graphics, and posters for small businesses and personal brands.
- Instagram Content Creation (biendreamer): Edited and shared motivational podcast clips, growing engagement organically.
- Design: UI/UX design principles, wireframing, and prototyping
- Photography: Composition, editing, and visual storytelling
- Editing: Photo and video editing using industry-standard tools
- Writing: Content creation, storytelling, and scriptwriting
